Wandermere Community Services is a local 501 (c) (3) charity primarily serving the disadvantaged youth in our local North Spokane area. We are proud to sponsor the **Bite 2Go Program** in partnership with **Second Harvest Inland Northwest**, at Mountainside Middle School, Farwell Elementary and Riverside Elementary at a cost of nearly **\$50,000**. This program, administered by students and social workers provides underprivileged kids with food to take home for the weekend, thus assuring they will have adequate nourishment while away from the various school day programs already in place.

In addition, we remain fully committed to our **Children's Clothing Program**. This past December we were able to provide warm winter clothing for a record **335 children** representing 145 needy families within the Mead & Riverside School Districts at a cost in excess of **\$46,000**.

We also made significant donations to **Local Salvation Army, Second Harvest Inland Northwest, Union Gospel Mission, and Spokesman Review Christmas Fund**. We are proud to have accomplished all of this with an administrative cost of **less than \$3,000**. !

As you can see, we truly are making a positive difference in the **local community**. Obviously, none of this would be possible without the support of the local community at large, especially our generous local business partners. Most of our fund raising derives from our **Annual Golf Scramble** held at Wandermere Golf Course each summer. This year's event will be held **Saturday, May 31**. At this time, we are seeking business or individual partners to ensure the success of this endeavor.
